United Way creates opportunities by proactively focusing on issues and working toward outcomes that lead to success.

SUCCESS BY 6

ENSURING A FOUNDATION OF SUCCESS FOR YOUNG CHILDREN

Quality child care is vital for parents to be able to work, and quality early childhood education is key for children to be successful in school and life.

SUCCESS IN SCHOOL

REMOVING BARRIERS TO HELP YOUNG PEOPLE EMBRACE A SUCCESSFUL FUTURE

The objective of Success In School is to remove barriers and create opportunities that help young people embrace a successful future, beginning with high school graduation.

SUCCESS FOR LIFE

EMPOWERING ADULTS TO ACHIEVE LIFE GOALS

Too many adults lack adequate literacy and work skills to be self-sufficient and provide for their families. Both employers and employees benefit from programs that help people achieve their educational goals and improve their quality of life.
