# HOW YOUR GIFT IS USED

Your gift, no matter what size, makes a difference. Plus, the dollars you give to United Way's Community Fund stay right here in the Lubbock area. For as little as \$2.50 a week, you can provide urgent and life-changing resources that impact people throughout the 15 counties served by United Way and our Community Partners.

**\$2.50** per week could provide **3 weeks of quality, affordable childcare** for one child.

Children are born learning. Quality early childhood education, prepares a child for school and a lifetime of learning.

**\$5** per week could provide **3 well-check visits** for low-income children.

Well-check visits help prevent illness, assess risk for future medical problems, and keep children healthy and in school.

**\$15** per week could provide **support services** for **14 victims of sexual assault or sex trafficking**.

Hope and healing is possible for victims through support services like accompaniment, advocacy, and counseling.

**\$25** per week could provide **6 months of mental health services** for someone in need.

Mental health matters at every stage of life and in every relationship. Access to mental health services helps keep us and our relationships healthy.
