#### KEY MESSAGES

Whether this is your first time to be involved with a United Way workplace campaign or you've been involved for years, here are a few key messages to help you share about our impact in the community. Alongside your personal United Way story - why you believe in United Way - these messages show the difference we make when we all LIVE UNITED.

- *Giving · People · Hope.* Our mission statement is intentionally simple. These three words are the words we live by and the words we strive daily to live up to as we partner with the community to shed light on some of our most challenging problems and to bring hope to every person in the Lubbock area.
- United Way is not a short-term investment; it's about lasting change. We work with community stakeholders to address the root causes of challenges our South Plains communities face. Currently, we are focused on three priority areas—education, safety, and mental health.
- After 75 years of serving the South Plains, United Way maintains a commitment to being relevant. As our community grows and the decades pass, the needs change. United Way is continually reassessing the most pressing needs in the Lubbock area and ensuring that we are working to create solutions to those needs.
- Giving to United Way's Community Fund is the most efficient and powerful way to invest in your community. It is also the best way for United Way to leverage donor dollars strategically.
- We're local and committed to making a local impact. Gifts to United Way are invested in the lives of our neighbors here on the South Plains. We only invest in programs at agencies that are in good financial health. Program results are measurable, sustainable, and meet current community needs.
- Change doesn't happen alone. The work of United Way is a collaborative effort between our organization, our Community Partners, community-wide efforts and coalitions, and you.

## CEO LETTER

[DATE]

[FIRST AND LAST NAME]

[ORGANIZATION]

[ADDRESS]

[CITY, STATE ZIP]

Dear [SALUTATION]:

Lubbock Area United Way fights for the health, education, and financial stability of every person in our local community.

Our community's problems are interrelated, and only by working together can we address the complex causes of poverty, school readiness, child abuse, and many other issues in a way that no single agency, donor, volunteer, or sector of the community can do alone.

United Way is celebrating its 75th Anniversary this year. It is an honor for our company to be involved with an agency with a long standing legacy of supporting the South Plains.

This is why we are asking you to consider making a gift this year to Lubbock Area United Way. When you do, you support programs that tackle critical community issues by addressing their root causes related to health, education, and financial stability. Your gift to the Community Fund helps United Way fund programs to the degree they require and address key issues in our community.

Together, we can join United Way in inspiring new stories every day. I encourage you to join me in supporting United Way's 2021 Annual Campaign.

Thank you for Living United.

Sincerely,

[CEO Name]
